

## ◎Procedures related to Driver's license

Foreign people need an official document such as “Residential card”, “Special Permanent Resident Certificate or “Copy of your certificate residence” to verify your address.

### ■Renewal

- Those who have registered their residents in Aomori prefecture can renew driver's license at the Driver's license center or local police station.
- The renewal period is from one month before your birthday up to month after your birthday in renewal year.
- You will need Residential card.
- If you have Myna driver's license(My Number Card), you need to renew it. If your information on your My Number Card cannot be checked, you need to show your Residential card.

### ■Changing information listed on your driver's license

- If you have changed your address, nationality or name should apply for changing driver's license information.
- You will need Resident card.
- If you have Myna driver's license(My Number Card), you need to change it. If your information on your My Number Card cannot be checked, you need to show your Residential card.

### ■Examination

You need “Copy of your certificate residence” for procedures of examination. Please make sure to check what documents you need before visiting Driver's license center.

### ■Switching a Foreign Driver's license to a Japanese License

You need make a reservation.

Please contact Aomori Prefectural Driver's licens center before your application. We only have Japanese speakers on the phone.
